I am so thankful for all the wonderful people I have met in the horse world, they helped me reach my goals. I love the arabian breed so much, it is by far the best thing that has happened to me.

#### Lizzy Wisma

### **PAIGE DEVROOMEN**

Paige started on her first horse when she was 9 days old and her love for horses has never stopped growing. Her parents, Paul and Angel Devroomen operate Holland Arabians in Burlington, KY and they are very proud of Paige's accomplishments. She showed in her very first walk/trot class at age 3, her horse Marquis Gold took great care of her that day. At the age of 9 she has already won Regional Championships, Top 5's and many ribbons. Paige and her friends have started their own Saddle Club at home and they regularly get together to ride or just hang out in the barn. She helps her mom with chores in the barn and handles any and all of the 25 horses stabled there. Her natural instincts for handling horses and their tendencies are well ahead of her age. She was the recipient of the 2008 and 2009 Esser Valley Arabians High Point Youth rotating trophy given by KARABS annually, to the youth that is most accomplished in the show ring.

### **KIIRA HARKINS**

Kiira is the daughter of Keith and Kristin Harkins of Chillicothe, Ohio. This young lady is a very accomplished saddleseat rider that exhibits in the English, Country, Driving and Equitation divisions at numerous shows in Region 14 and at Youth Nationals. However, this nomination is not about her many wins or her horses. This is about a young lady that has taken the time to help at most of the shows in Region 14 by volunteering to do ribbons too many times to mention. She has never turned me down when I needed help and ALWAYS makes sure she is dressed to the hilt and very appropriately. We are fortunate to have such a beautiful group of girls that present ribbons at our shows, however there are not too many youth that will devote as much time as she does to volunteering at our shows.

### **Groom:**

**Jason Reed**

### **Peggy Hunter**

### **LINDA FERRIS**

She has been the groom, the braider, the coach, the hauler, the benefactor and the supportive parent for her daughters for as long as they can remember. And for the past few years has become the "master braider" for Esser Valley Arabians. She rarely misses a horse show. She has even been known to travel to horse shows without a horse just to ensure that the EVA horses are able to enter the ring with the best braid possible. Even though Linda still enjoys entering the show ring herself, she can usually be found back at the stalls braiding the next hunter, or in the warm-up arena, with bobby pins in tow to fix an unruly braid. It is not unusual to hear panic in the voices of the EVA clan if Linda cannot be found before a class. As she is a crucial part of the EVA showing experience.

### **Gloria Bush**

### **STEPHANIE HENDERSON**

Stephanie runs a really efficient barn for Firelight Arabians. She goes to all the shows and works tirelessly for hours getting the horses ready for their big events. Steph braids, saddles, grooms, lunges, hot walks, pep talks, makes sure kids are where they are supposed to be, and does a great job at the kid's makeup and hair too. She runs the Dream Team, and does all the behind the scenes work, to make all of us shine. We couldn't do it without her and she can put out the work of 4 grooms, you just have to have some chocolate on hand for her and she is good to go! She has groomed for us for 4 years and loves it and we appreciate her so much. When Stephanie is not in the barns, she is an accomplished Competitive Ballroom Dancer who has won a lot of awards in 5 states. She will be competing at Nationals in Baltimore in April, right before we need her for the rest of the year!

I am active in my church, having served as youth director, Sunday school teacher, vacation bible school director and/or teacher, and sponsor of a group of senior citizen women. Most of my experience around horses is as a result of being a horse-show-mom for my daughter, Deneb Thompson, who owns and shows Arabians. While she was president of the West Virginia Arabian Horse Association, I served as treasurer and we worked extremely hard trying to save that organization. That is when we started attending Region 14 meetings and AHA Conventions. Since joining SAHIBA, I have served as treasurer and show secretary for our 2 fun shows. I worked at Region 14 and during WEG selling raffle tickets and at the Galleries Gala opening. I enjoy and help whenever I can to promote SAHIBA, Region 14, AHA, and the Arabian horse.

**Larry Kinneer**

**Cindy Clinton**

I have watched Cindy Clinton manage the Ohio Buckeye, Region 14 Silverama, National Show Horse Finals and as a past Commissioner of the US Nationals where she excelled at making the exhibitor happy. Most of the volunteers who work these shows have been with Cindy for years and that's a testament to her people skills. She has been named APAHA show official and Arabian Horse Times Readers Choice show manager of the year several times. These honors are a glowing example of Cindy's dedication to the exhibitor and the Arabian horse show. Cindy

embodies the true meaning of a dedicated volunteer.

### **KIIRA HARKINS**

My history has always been to help promote the Arabian horse; I've worked at several class "A" shows as well as all-breed promotions, the WEG's, Equine Affaire and have been a delegate at convention. One thing that you can count on is when given a task; you can bet your life that it will be done and done well! As you know, this is not true of all volunteers. I would like to see someone recognized for their hard work & efforts, promoting the Arabian breed. I'm also a tireless worker for the SAHIBA club and have helped keep it functioning for years; I also work a full time job!*

She puts up with EVERYTHING that Parker brings her way! Krewes, loves to jump too. I rode her for 6 weeks preparing myself for Nationals, as a western pleasure horse.
