## SCORING SYSTEM

The MOS Scoring System will be used in all classes with the exception of NSH, SHA, the new Arabian Yearling English Performance Futurity In-Hand and Reining. The Arabian Scoring System will be used in all Arabian and Half-Arabian/Anglo-Arabian Halter classes.

### ARABIAN SCORING SYSTEM CLASS PROCEDURE

#### **AR107 Conduct and Specifications.**

1. The following procedures shall be followed in all breeding classes, including Gelding In-Hand classes:

a. At all AHA Regional and National level competitions, the order of go shall be determined and posted by the birth date oldest to youngest, including post entries. The procedure (for selecting the order of go) may be used at other recognized competitions at the discretion of competition management. All in-hand classes will be conducted as Breeding and Gelding In-Hand Classes.

Effective 4/1/08: The following procedures shall be followed in all breeding classes, including Gelding In-Hand classes: (Drawings are not part of the rule – they are for illustration purposes only.)

b. Competition management shall have the option of choosing one of two class procedures:

- (1) In the Ring Class Procedure
- (2) Exit the Ring Class Procedure

c. In the Ring Class Procedure Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated and scored. The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail, or trot a counterclockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on
